

The Shroud on the Internet

November 22, 2021

[**Shrouded connections: Serbia, the Shroud, and the Holy Face of Laon**](#) by James Day – **The Catholic World Report** – November 7, 2021 – Here is an excerpt from the article: “A new hypothesis about the many origin stories that attempt to explain the provenance of the Shroud of Turin. In the mid-13th century, so the story goes, a man obtained an image of the Holy Face. He did not keep it for himself. Rather, he sent it to a Cistercian monastery northeast of Paris. Eventually, it was moved out of the monastery to a church, the cathedral of Notre-Dame in Laon. Hence the name of this image — the Holy Face of Laon...”

[**Professor Fanti: la datazione medievale della Sindone non è corretta**](#) by Giulia Tanel – **il Timone** Italian language article – October 20, 2021 – Here is a link to an English language version of the article via Google Translate: [**Professor Fanti: the medieval dating of the Shroud is not correct**](#). Interview with Giulio Fanti. Here is the online introduction: “A new study entitled Could an anomaly in Turin Shroud blood reopen the 1988-radiocarbon-dating result? , recently published in the international journal World Scientific News signed by the associate professor of Mechanical and Thermal Measurements of the University of Padua, Giulio Fanti (photo on the side), a tireless scholar of the Shroud since 1997, on which he has published dozens of scientific papers and several books, reopens a much debated question within the scientific world: when does the Sacred Linen date back which, according to tradition but also in the opinion of a large slice of scientists, wrapped the body of Jesus Christ after His crucifixion , death and Resurrection?”

[**BRASWELL: The Shroud of Turin**](#) by Dr. Jimmy Braswell – **Odessa American Online** – October 9, 2021 – Here an excerpt from the article: “Recently an article was published in the Odessa American about the Shroud of Turin. I discovered the subject while in high school here in Odessa in the 70’s. In college I was challenged by a Bible professor to prove it a fake for a grade change. I could not with the evidence available then. Instead, the professor made a statement that inspired a life-long study — “The Shroud of Turin is probably the most important archeological find ever ignored”...”

[**Mostraci il tuo volto. «La Sindone mi ha guardata e non ho potuto più tacere»**](#) – **Avvenire.it** Italian language website – October 3, 2021 – Here is a link to an English language version of the page via Google Translate: [**Show us your face. "The Shroud looked at me and I could no longer be silent."**](#) Here is the introduction: “An interview with the sindonologist Emanuela Marinelli who for 40 years has been talking about the hundreds of scientific evidences that deny the false results of the C14 and "show the authenticity of the cloth"...”

[**Hundreds visit replica of the Turin Shroud**](#) – **Wellington Weekly News** website – October 3, 2021 – Here is an excerpt from the article: “More than 350 visitors went to see the full-size replica of the Shroud of Turin when it was exhibited at All Saints’ Church in Rockwell Green. They included those of all faiths and others with an interest in history, science and carbon dating the Shroud, and children from the local primary school. All Saints Church PCC secretary Veronica Tatnall said: “We send our thanks to Michael and Lynne (Kowalski), members of the British Society of the Turin Shroud, who were able to help visitors unwrap and understand so much more about the Shroud itself...” [Note: I believe the exhibit displayed at the event was Pam Moon’s, although she is not mentioned in the article]

[Shroud of Turin Poses Big Questions](#) by **Bob Campbell** – Odessa American – **Yahoo! News** website – October 2, 2021 – Here is an excerpt from the article: “If you have wondered what Jesus Christ looked like, it may be that God made a photograph that's been preserved since 1578 in the royal chapel of the Cathedral of Turin in northern Italy. The Shroud of Turin has been controversial since it was discovered in a church founded by French Knight Geoffroi de Charny in the small town of Lirey in north central France in the mid-1350s. Some say it is the shroud of Jesus while others contend that it dates no earlier than 1260...”

[A Legend Unlocked – The Holy Grail](#) by **Ken Stevenson** – **Everlasting Covenant** website – July 7, 2019 – Here is Ken’s comment: “Although I’m not an expert on the Grail and do not claim to know all the specific details, I did write a very basic article that to me links the Grail and the Shroud.”
