

ST. LOUIS SYMPOSIUM

Seemingly less strife-ridden than the New York Symposium (at least at present), is another on the subject of the Shroud to be held in St. Louis, Missouri, U.S.A. 22-23 June 1991. Among the scheduled speakers are Dr. John Jackson, Dr. Robert Dinigar, and Dr. Gilbert Lavoie, all of STURP; the pathologist Dr. Robert Bucklin (well-known for his dramatic contribution to *The Silent Witness*; Ken Stevenson (co-author of *Verdict on the Shroud*), and Frank Tribbe, author of *Portrait of Jesus?*. A main organiser of the Symposium is the Benedictine monk Brother Joseph Marino of St. Louis Abbey, 500 S Mason Road, St. Louis, Missouri, who publishes a most useful regular bulletin 'Sources for Information and Materials on the Shroud of Turin.' Accommodation enquiries should be directed as soon as possible to Monica Hilling, 2700 West 16th/Apt. 412, Amarillo, Texas 79102, USA.
