

Connecting a Modern Religious Sister to the Holy Face of the Shroud of Turin, To the Editorial Board:-

I am writing to formally submit a unique, validated personal testimony regarding the Shroud of Turin.

I request that this account be considered for publication or archival documentation to further demonstrate the Shroud's profound, ongoing impact on modern human experience and Faith.

For many years, I have held an absolute, unarguable certainty regarding the total authenticity of the Shroud of Turin as the True Burial Cloth of Our Lord Jesus Christ!

This certainty is rooted in an objective, heart-stopping mystical event that occurred during a personal interview with the Superior of a Convent, Mother Mary John de L' Euchariste et La Sainte Face, psdp. During our conversation, I looked up at the Mother Superior but to my absolute amazement, her physical features had completely vanished. In her place, I saw only the exact, distinct Face of the Suffering Jesus as it is captured on the Shroud of Turin. This visual transformation occurred twice during the meeting. Years later, I uncovered a stunning piece of objective confirmation. Upon researching her community further, I discovered that her full name in religion—which had been hidden from me during our initial meeting—explicitly included the title "of the Holy Face (of Jesus.)" This Experience transcends mere personal conjecture. It represents a precise, cross-verified alignment between a physical vision of the Shroud's imprint and an hidden spiritual reality. I am sharing this publicly to honour and glorify God, and to provide the public with a contemporary witness to the living power of the Holy Face.!

Thank you for your dedication to preserving the legacy of the Holy Shroud.!

I am available to provide any further context required.

Sincerely yours,

Gail Koelmeyer.
