

## STERA, Inc. Secure Contribution Form

Barrie's life work and his legacy was to promote learning, education and research about the Shroud of Turin. Please donate below to his cause and celebrate his memory.

Our EIN Number is 26-3322158.

If you are 70 ½ or older, you can make a tax-free distribution from your traditional or Roth IRA to STERA. This is called a Qualified Charitable Distribution (QCD) and it's a wonderful way to support Barrie's work and legacy. You can donate up to \$100,000 each year without incurring income tax on your withdrawal.

**Paypal, Debit and Credit Cards are accepted.**

**Donate**

As regular visitors know, [STERA, Inc.](#) holds only one fundraising event a year, and today's update launches our 2025 annual fundraising effort to support the website and our other long-term projects. As we have stated previously, with the large number of visitors we have each year, we could generate substantial revenue by allowing advertising on the site (like most websites do), but we have never allowed ads in our 29 year history and have no intention of allowing them in the future! That means that we need your support to help make up the difference and every contribution is fully tax deductible. As President of STERA, Inc., I am obligated to solicit contributions from our viewers and subscribers, just like every other non-profit in the world. However, unlike most non-profits, we prefer not to bombard you with continuous requests for contributions (which I am sure you appreciate).
