

The St. Louis Shroud conference held at the beautiful Augustine Institute in St. Louis was a huge success, with about 425 participants, July 30-August 3, 2025. There were almost 50 presenters and about 80 presentations over the course of several days; a reception kicked things off on July 30.

See the article: [SEEC Shroud of Turin International Conference and Symposium: Scholars and seekers explore new stunning research.](#)

The conference has been added to the [Shroud Conferences & Symposia Page](#) (Overview) and [Shroud Conferences & Symposia Links](#). The latter has the papers and PowerPoints to the presentations.

The videos of the presentations can be found via the [conference's website](#).
