

OTHER SHROUD MEETINGS OF INTEREST

A common complaint among members is that the Society only holds meetings in London. While we are very conscious of this criticism, in practice, with members scattered around the country, London remains the most central and readily accessible venue - despite some of its disadvantages. However, in future in this *Newsletter* we will endeavour to notify members of other meetings on the Shroud, not organized by this Society, which may prove more accessible, or on more convenient dates.

These include:

Oct. 2nd. Michael Clift "The Turin Shroud" Gloucester Ladies' Tanager Club, Judges Lodgings, Spa Road, Gloucester 7.45 pm. (contact Michael Clift: Gloucester 25709 for further details).

Oct. 10th. Ian Wilson "Whatever happened to the Turin Shroud?", Society for Psychical Research, the Lecture Bell, the Central Library, Phillimore Walk, Kensington, London W8 6.30 pm. (contact Miss E. O'Keeffe, secretary SPR, tel. (01) 937 9091 for further details).

Oct. 22nd. Ian Wilson "The Turin Shroud Inaugural meeting of the Newman Association, Pershore, Worcs., 7.30 pm. (contact Mr. Brian Browne, tel. (0586) 860745 for further details).

Dec. 4th. Michael Clift "The Turin Shroud" Gloucester Amateur Radio Society, St. John's Ambulance Headquarters Heathville Road, Gloucester (contact Michael Clift: Gloucester 25709 for further details).

This list is obviously not comprehensive, and members who are giving talks in their local region, or know of Shroud talks taking place, are invited to notify the General Secretary in time for the next *Newsletter* in January, or on a regular basis thereafter.
