

MEMBERSHIP NOTES

Dr. Michael Clift writes:

Our thanks to those who responded promptly to our appeal in the last *Newsletter* for membership renewals. Our membership list is around 200, of which at the time of writing just under half have renewed. Unless we hear of a death or there is a specific request we do not like to remove anyone's name from the list, and we like to think that no-one has actually lapsed. But our printing and mailing costs are high and we need every subscription, so we shall be grateful if this note jogs a lot more memories. A membership booklet is enclosed with this *Newsletter*.

Some overseas members have overlooked the fact that postage to them costs a lot more. We do remind them that they should add at least £2 sterling to cover this. Even then we lose a substantial amount in the conversion fee, especially from US dollars.
