The British Society for the Turin Shroud was founded in 1977 to act as a forum for individuals from all walks of life sharing an interest in the Shroud mystery. The Society is non-denominational and has no party-line for or against the Shroud's authenticity. The Society's officers all work on an entirely voluntary basis, and members include doctors, chemists, physicists, genealogists, lawyers, artists, historians and many more. Approximately one-third are from outside the UK. Currently this Newsletter is published three times a year, and while a balanced stance is attempted, inevitably it reflects the Editor's personal biases. For subscription/membership details contact General Secretary Dr. Michael Clift at 9 Glevum Close, Longlevens, Gloucester GL2 9JJ, tel. 01452 532515
