

## **OBITUARY – DANIEL RAFFARD DE BRIENNE**

Daniel Raffard de Brienne was born in 1927 in Saint Quentin in L’Aisne, and passed away on 7 July this year. He obtained a degree in Law in 1948 and was delegate at various international congresses devoted to “building Europe” and worked with Leon Jouhaux, Francois Mitterand, Louis Salleron and Pope Pius XII. Disappointed with the world of politics, he left his job in 1950 and entered the private sector.

He was married and had five children. He edited the *Lecture et Tradition* magazine for twenty years, published over twenty books and hundreds of articles about such topics as the mass, evolutionism, ecumenics, the Catechism and the Crusades. Most of us know his Shroud related works better than the rest.
