

Road-Testers Required

How is your memory? It would seem logical that one of the best ways to safeguard them is to create a personal memoir. Easily said. But how do you begin? I experimented and, eventually, came up with a systematic approach. I am now looking for volunteers to try it out. All I ask is your feedback. Free to use permanently for all BSTS members who take up this offer.

Just go to <https://www.memoir.services/>.

David Rolfe

A review of the paper “**The Beirut Icon and the Shroud**” by Mario Latendresse is available online at: www.bstsnewsletter.com

A Tribute to John Klotz available online.
