[Anti-Christian Scientists Lie and Commit Fraud Trying to Prove the Shroud of Turin is a Forgery](#) – **Traditional Press** podcast with **Jonathon Roberts** – November 20, 2022 – Video (1:29:56) – Here is an excerpt from the online description: “Is the Shroud of Turin a clever fabrication by a Medieval charlatan? Where did the shroud come from? how was it made? Why does anybody still talk about it when the Carbon-14 dating test proved it to be a fraud? The Shroud of Turin, as it is now known, is supposedly the actual burial shroud that Jesus Christ was wrapped in after His death and crucifixion. It first came into the western consciousness in the 14th century, and since then much ado has been made of it, and rightly so, since, if it were real it would dramatically smash the dreams of many modern men who would like to believe that the man Jesus of Nazareth never lived. Whole teams of scientists have dedicated their lives and their entire careers around the study of this ancient Christian artifact, but nearly all the mainstream media sources rely on bad and disproven studies in their reporting on the shroud...”

In refuting the Shroud skeptics with the science, I'm joined by the same 2 Pro-Shroud co-hosts from Part 1 (**Daniel Lowry & Teddi Pappas**) to probe Barrie further on these facts...” [**Editor's Note**: Also available online is a link to an
